

# Rocky Motorcycle Club Volunteer Guidelines

Free membership earned by Volunteer Hours :

- Hours volunteered in the current year are credited towards membership in the following calendar year
- 20 hours = single membership \$150 credit
- 40 hours = family membership \$300 credit
- If you earn 20-39 hours but require a family membership you will receive a \$150 credit towards your family membership.
- Hours do not transfer into an hourly credit. You must fulfill the min 20 or 40 hours to receive the appropriate credit.
- Executive & Board members are entitled to one free single membership the year following their service for the club. Example: director in 2021 receives one free single membership for 2022. In the case that the director has a family they must have the volunteer hours to cover the difference or pay the monetary difference to the club.
- All volunteers eligible for free memberships will receive a letter from the club signed by the President & Secretary to present at the dealership of their choice that is a listed seller of our memberships.
- Free Membership includes one key, extra key fee applies if you require a second key for a direct family member listed on your membership form

Donating hours to another individual can only be done at the time of the event and must be documented by the designated person in charge of volunteer hours for that specific event. No member of the club can donate hours to another individual after 7 days of an event.

All volunteers have one week to report their volunteer hours to a committee member or board member from the date of the event they volunteered at.

As the club transitions to a new fiscal year, an increase in our volunteer hour requirements and an increase to our membership prices, the only exception to the above outlines for the 2021 hours worked towards 2022 free memberships are as follows:

- 10 hours volunteered in 2021 = one free single membership or \$100 towards a family membership (member must pay \$200 difference)
- 20 hours earned = free family membership

Volunteer efforts that are valid towards your hours include

- Race Event prep (ie building trail for an off-road event or prepping track for a race day)
- Event day volunteering for a position through the sign up sheet
- Grooming of the track approved by the grooming committee & board ie: tabletop yearly work bee and race day prep
