b. Gate drop nights
    i. Held 3 gate drop nights. Was fun, first one had the best turnout. Hard to continue with less than minimum volunteers but we managed to get by

        i. What can we offer to attract more volunteers to come help with the work bee and other maintenance?
        ii. George suggests we have a campout weekend for spring cleanup maybe early April weather permitting.
        iii. Have a ride clinic for those who come to help at the work bee, pay someone like Amber to do a clinic. Come help for the work bee day and then one free lesson at the cost of the club or we can

offer a free membership to those who put in the full 8 hour day on the work bee? Will discuss further in spring

iv. Can we give away free youth memberships with bike purchases at the dealerships? Free youth membership for kids getting a 65 or smaller.

2. More tanks are available for the track but still need an economic water source in order to get water delivered.
    a. Devin has a connection at O'Chiese that could help with water next year
3. Off Road plans for 2027
    a. No confirmed dates for races
    b. Second Gear club emailed the club to inquire if we want to host a race but the consensus is no because it is not financially beneficial
4. CAMS 2027 proposal - discussed but until water situation is sorted we cannot commit to hosting because we do not want to go through what we we went through the last time we hosted. Water for the tanks is $6000 and up without even getting anything refilled so its not sustainable.
5. We could do a club race once we get the water situation as a test run to test out everything.
6. Proposal letter for us to give to organizations proposing what we want if we host a race. Water truck rental, water cost, dozer cost per hour plus driver etc. This option vs just accepting the organizations offer.
    a. Mark suggests we get a lawyer to draft up a legal document
        i. We need to sit down and talk together up a list of what we want as hosts
7. Board positions to be filled at January 12, 2027 AGM
    a. President 2 year term
    b. Secretary (1 year only as Cassy stayed on for 1 year to help out so then it will go back to 2 year terms)

    e. Sponsorship co-ordinator
    f. Directors
    g. Committees to form:
